

The diagram illustrates a 10x10 grid of nodes, represented by small gray circles. Each node is labeled with the number '100'. The nodes are arranged in 10 rows and 10 columns. Horizontal connections are shown as gray lines between adjacent nodes in each row. Vertical connections are shown as gray lines between adjacent nodes in each column. On the right side of the grid, there are vertical double-headed arrows indicating the connections between rows.
